

NEW YORK, Nov. 9--Counsel for Hains brothers informed the court the transport bringing their witnesses from the Orient would not arrive until January and asked that the trial of T. Jenkins Hains be postponed until that month. The district attorney objected and stated that the transport would arrive on November 20. After some argument the court set the trial of Hains for December 14, so that it would take place within the term of office of the present district attorney. No date was fixed for the trial of Captain Hains.

leniency Shown Man Who Attempted to Murder His Wife and Then Commif Suicide.

Smith A. Brandon was pardoned from the county jail today by Governor Gillett after serving six months of a year's term. Brandon is at the Receiving Hospital recovering from an operation for the removal of a bullet from beneath his neck bone which he fired in an attempt at suicide after he had tried to kill his

AT RACE.

Brandon returned from work one afternoon and his wife playfully told him she had seen the races and had lost \$10, his savings.

There was no fun in it for Brandon and he drew a revolver. In what was considered the woman's dying statement, she said the police had accused her husband of attempting to murder her but she afterward denied.

The bullet which Brandon put into his head was fired into his neck as he lay

PRESIDENT ROOSEVELT SAYS THAT JEW MAY BE PRESIDENT

The condition and causes which produce Rheumatism all suggest a healthful vegetable remedy as the surest and safest cure. The disease is brought about by the accumulation of uric acid, an irritating, pain-producing property in the blood. This causes a weakening and souring of the circulation which then becomes unfit for nourishing the body, while the deposits of uric acid in the nerves, muscles, joints and bones produce the pain and agony of Rheumatism. To treat the trouble with medicines containing potash or other strong minerals, is simply adding another poison to the already weak, diseased blood, sapping it of its remaining vitality, and perhaps in the end making a physical wreck of the sufferer. The one safe and only cure for Rheumatism is S. S. S. It is nature's remedy for this disease, made entirely from healthful vegetable ingredients extracted from the roots, herbs and barks of the forest and fields. S. S. S. goes down into the blood and removes every trace of the cause of Rheumatism, cleanses and purifies the circulation, and restores health and comfort to those who are suffering from this painful disease. There is but one way to be sure you are not dosing your system with mineral medicines, and that is to take S. S. S. Book on Rheumatism and any medical advice free.

COSMOS CLUB
ENTERTAINED
AT HOME OF
MRS. MELVIN C.
CHAPMAN

The wedding of Miss Blanche Layman, daughter of Mr. and Mrs. M. J. Layman, and Leslie Rice, will be one of the largest affairs and is to be solemnized at the beautiful Layman home on Fifth avenue, East Oakland, to-morrow evening. Miss Layman is a Mills College girl and has chosen her college colors, white and gold, for the home decorations. She has always been very popular with young friends and her marriage will add another attractive young matron to the social set. During the past few months Miss Layman has been the inspiration for some very beautifully appointed affairs. Among those who aided to her pleasure are Mrs. Gilbert Curtis, Mrs. W. A. Schrock, Mrs. E. Edward Hall Dodge, Mrs. Homer Craig and a dozen more. The floral decorations will be under the direction of Miss E. Glover of San Francisco, who has planned some very original features. The home is to be one glow of golden bloom, the gorgeous yellow chrysanthemum to predominate.

Those who have been privileged to see the wedding gown pronounce the lace creation a "dream." The entire wedding trousseau is exquisite, as befits this dear young daughter. Miss Layman will be attended by Miss Vera Hamilton, of Pittsburg, as maid of honor. Miss Hamilton formerly made her home in Oakland, but moved to the Eastern city about nine years ago, where she completed her education, recently graduating from Vassar College. Miss Blanche and Miss Vera have been warm friends since their childhood and their mothers sustained the same pleasant relationship. The bridesmaids will be Miss Layman's younger sisters, Miss Hazel and Miss Grace. The best man will be John Matthews. About two hundred cards have been issued for the elaborate affair.

A great many beautiful gifts, signifying the high esteem in which the young bride-elect is held, have been received.

Immediately after the reception the young people will leave for their honeymoon journey. Upon their return they will make their residence at the Layman home until the completion of their own house in the Piedmont district.

The pretty affair took place at the home of the Misses Irene and Ida Lloyd, which was decorated with the best of taste in the club's colors, pink and green, and red and green.

The early part of the afternoon the guests were entertained by a piano solo by Miss Irene Lloyd, and a soprano solo by Miss Ida Jones, both members of the Leoria Club. Miss R. Graciar also rendered a soprano solo which was highly appreciated by all. Original and interesting games followed after which the company was served with a dainty refreshments. The last feature of the afternoon was a miscellaneous show for the bride-elect, which proved to be a complete surprise. Many beautiful pieces, showing skillful handiwork of each club's members, were numbered in the collection.

Those present at the shower were the members of the faculty of the Fremont High school, Miss Whitehead, Miss McMillan, Miss Gertz, Miss Coe, Miss Keen, Miss Montgomery, Miss O'Connell, Miss Murray, Miss Graciar, and Mrs. Montgomery a former member; the Huber Club members, Ethel

BAPTIST SCHOOL MAY CLOSE DOORS

California College May Discontinue for Lack of Funds.

The discontinuance of California College, in East Oakland, one of the chief schools of the Baptist Church on the Pacific coast, is threatened. The fear that the school, which has a large enrollment, will have to close unless the sum of \$20,000 is soon provided by members and friends of the denomination, is expressed by President A. A. Macurda. That amount has been asked of the Baptist State convention.

President A. A. Macurda said yesterday, in speaking of the prospects of the college: "I purpose to go before the denomination in California and ask if the people wish to preserve the existence of California College. The field for the school has been demonstrated by the marvelous increase in the last eighteen months. The opportunities are offering faster than we can meet them. This \$20,000 for which we asked at the last State convention has not been given. Without it, in my judgment, the college cannot go on much longer. The present administration is not responsible for the indebtedness which must be met. We have been obliged to pay repair bills out of money to be devoted to teachers' salaries, and are therefore behind. A complete statement of the financial condition of the college will be presented to the State convention."

NEW YORK, Nov. 9.—Hundreds of pounds of dynamite have been exploded in the North river to learn whether Mrs. Julius Fleischman of West Eighty-first street this city has committed suicide by drowning. Mrs. Fleischman's disappearance seems to be baffling. She lived with her husband and two married sons and their wives and families at the Eighty-first street house. WHEELER SPEAKS ON CHRISTIANITY

President of University of California Lectures Before Large Audience.

CHICAGO, Nov. 9.—Benjamin Ide Wheeler, president of the University of California, spoke to an audience which filled Orchestra Hall last night his subject being "What is Christianity?" The address was delivered under the auspices of the Sunday Evening Club which is fostered by leading business and professional men of Chicago. President Wheeler asserted that Christianity did not mean rituals, forms, ceremonies, creeds, that Christ did not preach a creed—he preached the simple gospel of a living god. "One must not confuse the church with Christianity," said President Wheeler. "The church is simply the machinery of the mechanics that aids in displaying Christianity. One need not belong to a church in order to be a Christian."

FOUR MOTORCYCLES MAKE PERFECT SCORES

THE CROWD GREETING WALTER DRYER, AN INDIAN RIDER, WHO MADE A PERFECT SCORE AT SAN LEANDRO YESTERDAY. SINGLE OUT F. E. KARSLAKE, WHO RIDING A CURTISS, MADE ONE OF THE FOUR PERFECT SCORES.

Curtiss, Excelsior and Two Indians Take the Honors

By ELIZABETH GREGG

It was for the most part a sleepy crowd which saw the close of the sixteen hour reliability run for motorcycles yesterday afternoon at San Leandro for a mile from the usual road of small boys and a few motorists the men who saw the finish had been on the spot the greater part of the eighteen hours. Only an enthusiast will be so faithful and it speaks well for the motorcycle game that so many people were interested. Certainly it speaks well for the Oakland Motorcycle Club that its first large undertaking should be so successful. For with over twenty motorcycles on the course riding for a great part of the night in a fog so dense that it was impossible to see no accidents occurred. In fact, things could not have gone more smoothly for there was no excessive speeding and no complaints of law-breaking were made in the towns through which the course ran.

When the last rider came in at five o'clock yesterday there were four perfect scores. With sealed machines four men had ridden 300 miles in 18 hours without making an adjustment of any sort and without losing time for any other reason. The perfect records are as follows:

H. Lorensen (Indian) time 10:15, 4:33
W. P. Williams (Excelsior), time 10:35, 4:32
W. Dryer (Indian) time 10:25, 4:25
F. E. Karslake (Curtiss) time 11:5

Two Thors finished but their scores were not perfect on some minor difficulty had caused the breaking of a seal in a case. The riders (Holmes and Dryer) showed grit and also confidence in their machines by staying with the race to the end.

Eighteen hours for one rider and one machine is a long ordeal. If you don't think so go to an endurance run and watch the men when they come in from long up dusty and hot but triumphantly to go on to win. There were various experiences a thought the long night ride. Several riders went out in the first few hours for different reasons. One machine had a frame lock on another the fuel tank in a third the spark plug was down out. When a man lost so many points that he had little or no chance of winning he dropped out and because of various troubles during the night there were only four machines left to finish.

While three perfect scores had been offered originally and it had been agreed that if more than one rider had a perfect score at the end of the eighteen hours they would ride until only one was left with a perfect score the man was changed when the regular course had been run. It was decided by the officials that it should be

left with the winners. Karslake, Lorensen, Williams and Dryer, whether they would ride for fifteen miles on each except a cup for making the 60 miles with a perfect score. All but Karslake were satisfied to stop but the gritty rider of the Curtiss was so sure his machine would outlast the others that he was willing to ride all night. As the majority favored stopping it was agreed to let the contest end with four perfect scores and a cup for each winner.

One reason for the intense interest in this reliability run was the fact that victories have been pretty well divided in recent motorcycle events. This fall the Phoenix man at Santa Rosa, the Indian at Tamoran and the Curtiss, with Karslake riding the endurance run to Fresno and return. The Excelsior which made a good record for itself yesterday is a new machine which has just come into the market but from the score it made it will double its value with these other machines for future victories.

Two motorists were having a heated discussion yesterday which looked for a while as though some one was going to pull out on the approach of the policeman trouble was averted and the drivers were taken to Martine and Pearl & Liking on 112 Telegraph avenue and 1361 Division. Oakland agents for Diamond tires to have one of their new famous "studs" put on. You know their slogan. "Wha a cut studs are worn out their cost has been forgotten."

NOTED ACTORS TO COME TO OAKLAND

JOSEPH JEFFERSON.
Joseph and William Jefferson Will Appear at Macdonough in "The Rivals."

Joseph and William W. Jefferson are amongst the foremost figures on the American stage today. They stand for all that is artistic ideal clean and pure in modern dramatic production. Their fame and popularity extend even to beyond the theater-going public into the large class who are never attracted to a play except when it represents the rare qualities enumerated above. No other actors of the past or present century have been closer to the hearts of the people or more universally beloved. The announcement of their intended appearance anywhere is all that is necessary to guarantee a crowded house and to give assurance of satisfactory entertainment. Local theater-goers will have an opportunity to recognize this when Joseph and William W. Jefferson appear here in Richard Brinsley Sheridan's classic comedy "The Rivals."

This opportunity offered now to see them should not be neglected and the theater-goers will be interested to learn that they will appear in the charming characters which make this play famous. There is nothing these actors do that has not the imprint of their own genial and artistic natures. All the humor, facility and humanity of the men are woven in their characterizations and the art and skill employed in doing this are of a school peculiarly their own. This is particularly true of "The Rivals" in which they will appear November 9th, 10th and 11th at the Macdonough theater.

EASTON, Pa., Nov. 9.—Mrs. Patsy Yano, 135 Lombard, Japanese, who was last night to have renounced her paganism and join the First Presbyterian Church, was found dead yesterday afternoon in the cellar of a house of which she and her husband were co-tenants. There was a deep knife wound in her throat. If her husband has been arrested, though the police admit there is no direct evidence against him. The Japanese insists his wife committed suicide. The police could not have indicted the fatal wound and further declare that the husband had tried to keep her from becoming a Christian.

A TREMENDOUS OPPORTUNITY FOR PROFIT

YOU CANNOT AFFORD TO LET IT ESCAPE

On Monday, November 16th, one week from today, prices on all unsold lots at East Piedmont Heights will be raised—forced up by the pressure of activity.

Today you can buy these lots at prices far below their real value.

Today you can buy these lots for ten per cent down and ten per cent a month, no interest, no taxes till 1910.

By getting in on the ground floor, before the raise in prices and change in terms, you make an immediate profit.

After Monday, the 16th, lots all around your lot will be selling at higher prices than you paid.

East Piedmont Heights is the finest of all high-class residence places now on sale. Situated on the gently sloping hills at the head of Lake Merritt, it commands a magnificent view, adjoined by a beautiful park—many lots fronting the park—is beautifully laid out and wonderfully accessible both to San Francisco and the shopping district of Oakland. Take Grand Avenue cars from Fourteenth and Broadway, and in a few minutes the property is before you.

Take advantage of the fine fall weather and see East Piedmont Heights before the prices advance.

Here is a tremendous opportunity for certain profits open to you if you act at once.

PITTSBURGH.—"What fleet, think you, will an endless round of cleaning and scrubbing, washing and ironing have upon the human soul? How far toward the real moral and spiritual development will such a soul be able to advance?"

When Mrs. Anna C. Tillingslat, of this city, made this remark before the State Federation of Women's Clubs there was a cheer from all the ladies assembled, and a resolution that a fund of \$15,000 be appropriated for a "Domestic Science Fellowship" at Flushing College was passed through without a dissenting vote.

There had been much discussion as to the duties of the wife or daughter in a home, and many seemed to agree that it was all right to patch and mend, but that drudgery was the common mistake of many wives.

It was decided that the scholarship at the State College of Pennsylvania should be known as the Kate Cassatt McKnight Memorial, named in memory of the wife of the late Senator McKnight, for the wives and mothers of Pittsburgh. The idea of the memorial will be to teach how a home should be kept.

The federation discussed at length the divorce evil and passed a ringing resolution endorsing a national divorce law.
